

De Zinge!-Youngsters - Medley

**Oh, misty eye of the mountain below
Keep careful watch of my brothers' souls
And should the sky be filled with fire and smoke
Keep watching over Durin's sons**

I've never seen a diamond in the flesh
I cut my teeth on wedding rings in the movies
And I'm not proud of my address, in the torn up town
No post code envy

But every song's like gold ~~teeth~~, grey goose, trippin' in the bathroom
Blood stains, ball gowns, trashin' the hotel room,
We don't care, we're driving cadillacs in our dreams.
But everybody's like cristal, maybach, diamonds on your time piece.
Jet planes, islands, tigers on a gold leash.
We don't care, we aren't caught up in your love affair.

And we'll never be royals..
It doesn't run in our blood,
that kind of lux just ain't for us.
We crave a different kind of buzz.
Let me be your ruler, you can call me queen B
And baby I'll rule I'll rule I'll rule I'll rule.
Let me live that fantasy.

Ooooooh New York 2x

Grew up in a town that is famous as a place of movie scenes
Noise is always loud, there are sirenes all around and the streets are mean
If I could make it here, I could make it anywhere that's what they say
Seeing my face in lights or my name in marquees found down Broadway

Even if it ain't all it seems
I got a pocket full of dreams Baby, I'm from

New York, concrete jungle where dreams are made of
There's nothing you can't do now you're in New York
These streets will make you feel brand new
Big lights will inspire you, hear it for New York, New York, New York

**Put your make up on
Get your nails done
Curl your hair
Run the extra mile
Keep it slim
So they like you
Do they like you?**

**Get your sexy on
Don't be shy girl
Take it off
This is what you want
To belong
So they like you
Do they like you?**

You don't have to try so hard

You don't have to, give it all away
You just have to get up, get up, get up, get up
You don't have to change a single thing

You don't have to try, try, try, try
You don't have to try, try, try, try
You don't have to try, try, try, try
You don't have to try

Seems like everybody's got a price,
I wonder how they sleep at night.
When the tale comes first,
And the truth comes second,
Just stop, for a minute and
Smile

Why is everybody so serious!
Acting so damn mysterious
You got your shades on your eyes
And your heels so high
That you can't even have a good time.

[Pre-Chorus:]
Everybody look to their left (yeah)
Everybody look to their right (ha)
Can you feel that (yeah)
Well pay them with love tonight...

[Chorus:]
It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance,
Forget about the Price Tag

Ain't about the (uh)cha-chang cha-chang Ain't about the (yeah) Ba-Bling Ba-Bling
Wanna make the world dance,
Forget about the Price Tag.

I think I've had enough, I might get a little drunk
I say what's on my mind, I might do a little time
Cause all of my kindness, is taken for weakness

Now I'm FourFiveSeconds from wildin'
And we got three more days 'til Friday
I'm just tryna make it back home by Monday, mornin'
I swear I wish somebody would tell me
Ooh thats all I want

And I know she'll be the death of me, at least we'll both be numb
And she'll always get the best of me, the worst is yet to come
But at least we'll both be beautiful and stay forever young
This I know, (yeah) this I know

She told me, "Don't worry about it"
She told me, "Don't worry no more"
We both knew we can't go without it
She told me you'll never be in love oh oh oooh

I can't feel my face when I'm with you, but I love it, but I love it
I can't feel my face when I'm with you, but I love it, but I love it

And I know she'll be the death of me, at least we'll both be numb
And she'll always get the best of me, the worst is yet to come
All the misery was necessary when we're deep in love
This I know, yes I know, and I know

She told me, "Don't worry about it"
She told me, "Don't worry no more"

Jolene, Jolene, Jolene, Jolene
Im begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Oh Please don't take him just because you can

**He talks about you in his sleep
There's nothing I can do to keep
From crying when he calls your name, Jolene**

**I see this life
Like a swinging vine
Swing my heart across the line
In my faces flashing signs
Seek it out and ye shall find**
The old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
I'm just doing what we're told

I, feel something so right
But doing the wrong thing
I, feel something so wrong
But doing the right thing
I could lie, could lie, could lie
Everything that kills me makes me feel alive

Lately I been, I been losing sleep
Dreaming 'bout the things that we could be
Baby I been, I been prayin' hard
Said no more counting dollars
We'll be counting stars
Lately I been, I been losing sleep
Dreaming 'bout the things that we could be
But baby I been, I been prayin' hard
Said no more counting dollars
We'll be, we'll be counting stars

**I feel the love
And I feel it burn
Down this river every turn
Hope is a four letter word
Make that money
Watch it burn**
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
I'm just doing what we're told
I, feel something so wrong
But doing the right thing
I could lie, could lie, could lie
Everything that drowns me makes me wanna fly

If this is to end in fire
Then we should all burn together
Watch the flames climb high into the night
Calling out father oh
Stand by and we will
Watch the flames burn auburn on
The mountain side

And if we should die tonight
Then we should all die together
Raise a glass of wine for the last time
Calling out father oh
Prepare as we will
Watch the flames burn auburn on
The mountain side
Desolation comes upon the sky

Now I see fire
Inside the mountain
I see fire
Burning the trees
And I see fire
Hollowing souls
I see fire
Blood in the breeze
And I hope that you remember me

I got my ticket for the long way run
Two bottle of whiskey for the way
And I sure would like some sweet company
And I'm leaving tomorrow, what'dya say

When I'm gone (2x)
You're gonna miss me when I'm gone

You're gonna miss me by my hair
You're gonna miss me everywhere, oh
You're gonna miss me when I'm gone
